Re: Your Freedom of Information Act (FOIA) Request No. EPA-HQ-2013-006728
Request for Clarification

Dear Mr. Frisch,

This is concerning your FOIA request of May 24, 2013, which my office just received on June 5, 2013. We noticed that your request does not establish a preferred time frame to search for past records; however, since your fee limit is only \$25.00, please be informed that that fee amount will probably only cover the recent past year of 2012.

Please advise and modify your request (online) accordingly.

Sincerely,

A handwritten signature in black ink, appearing to read "Step L. Flaherty", is written over the typed name.
